

I'm modifying this slightly to keep the targeted sales increments constant:

0.5% of external sales if end of year sales is 1 crore Tk.

1% of external sales if end of year sales is 1.25 crore Tk.

2% of external sales if end of year sales is 1.5 crore Tk.

Arif bhai,

Previously we gave you 2% sales bonus from monthly revenue of each external sale.

However, Sysnova external division needs to break even.

So I am offering you the following end-of-year bonuses based on sales of the entire year:

0.5% of external sales if end of year sales is 1 crore Tk.

1% of external sales if end of year sales is 1.2 crore Tk.

2% of external sales if end of year sales is 1.5 crore Tk.

I hope that you will be able to generate enough sales to make Sysnova external division profitable.
