Dear Sir,

As you know that our franchise operation is increasing day by day.

We found that customer flow is very low in franchise outlet at morning which is gradually increases at evening. For your kind information, we already discuss the issues in our last weekly meeting.

So, for proper monitoring and maintaining standard and quality for franchise outlet we request you to change our office hour from 11:00 am to 7 pm instead of 9am-5 pm. Franchise people will do their administrative work at the first half (11-2.30 pm) and second half (3-7pm) they will spend quality time at franchise outlet or new location survey.

I need your kind approval regarding this new time table only for the franchise operation.

Kind Regards
