Dear Sirs,

Shaitelia slaughtering plant is under KFIL. Slaughtering activities are done on continuous basis in all days till stock is exhausted of different batches of rearing to support meat requirement for frozen food production. To ensure quality performance, the managers are required to work full time till operation continues.

It is very justified to allow the managers replacement leave for work on fridays & holidays for meat production in line with the existing policy in KFIL factory.

Submitted please for your kind perusal & decision.
